My Smile

I would like my smile better if I could...

- Make my teeth brighter
- Make my teeth straighter
- Close the spaces
- Replace metal fillings with tooth coloured fillings
- Repair chipped teeth
- Replace missing teeth
- Replace my old crowns
- Have a complete smile makeover

Concerns I have with my smile....

- My teeth are sensitive to hot and cold
- My teeth are sensitive to sweet/sugar
- I have teeth or fillings that are breaking
- I have jaw joint pain
- I grind or clench my teeth at night
- I have bleeding or swollen gums
- Some teeth are loose or shifting
- I have bad breath
